Volume 57, Issue 7

July/August 2023

The synopsis of the 2023 Synod Assembly was not yet available as of this printing. The following is the Report of the Lower Susquehanna Bishop.

*Peace be to the whole community, and love with faith, from God the Father and the Lord Jesus Christ. Grace be with all who have an undying love for our Lord Jesus Christ. Ephesians 6:23-24 NRVS*

We continue to emerge from the challenging time of the pandemic. Although much of our life has returned to normal, there is still risk from COVID-19 as the prediction is currently 100,000 deaths this year. We need to continue to protect the most vulnerable among us. Our congregations have moved to a new reality as some have returned to pre-pandemic levels of participation and attendance in worship, while others see declining numbers due to a concern about gathering, apathy, and deaths. At the same time, we have seen an increasing divide in our society over political issues that has at times filtered into our congregations. Cries for justice and speaking out on behalf of the poor and the marginalized, which is the call of the gospel of Jesus, has been misinterpreted as political speech and not as the gospel. We have also seen in the last several years increasing levels of hate speech and hate crimes against the marginalized in our society. This, coupled with a steady drum beat of climate disasters, has placed us in a state of agitation and trauma as a society. Yet, we remember that Jesus came into the world under an oppressive regime. He was a refugee as a child, lived in poverty, was an itinerant preacher, and was executed on fabricated charges. Still, Jesus spoke of peace and forgiveness in the Kingdom of God. His presence as God among us changed the world and continues to change it today. God is our source of hope.

One positive outcome of the pandemic was learning how much we missed being physically present in Christian community. An immense joy of this call as bishop is worshiping each Sunday in congregations throughout our synod. As we have opened back up, I have had the pleasure to be with you in your worshiping communities. To feel the presence of Christ in the word proclaimed and the sacrament shared are the core of who we are as Lutheran Christians. The time of refraining from gathering has made the importance of being in community more apparent. As we gather in person as the assembly for the first time since 2019, I rejoice in the community that we share. I pray, as did the Apostle Paul, for peace in our whole community and love with faith, from God the Father and our Lord Jesus Christ.

**Developing New Leaders** We continue to prioritize equipping and developing existing and future leaders. We placed a renewed focus on those in the first third of life with new synod wide programs; continued support for our outdoor ministries, confirmation camps, leadership training camps, and campus ministries; and continued focus on candidacy for people called to serve as pastors and deacons. We expanded our partnership with the United Lutheran Seminary and increased access to continuing education opportunities through Kindling Faith. We concluded the 2022 Generosity Appeal for developing leaders for youth ministry and nurturing Christian community with gifts of more than \$41,000. I am incredibly grateful for the generosity of this synod.

**Relating Globally** Our synod has always had a passion for reaching out with the good news of Jesus Christ around the globe. That outreach includes sponsoring missionaries and Young Adults in Global Mission and supporting ELCA World Hunger and Lutheran Disaster Response. We also continue our longstanding companionship with the Konde Diocese of the Evangelical Lutheran Church in Tanzania. Over the last several years, our companionship has been tended by Deacon April Trout, who is serving as our synod liaison in Tanzania. Deacon Trout's role has been affected by the COVID-19 pandemic and the limitation of travel. She is now reconnecting congregational companionships and coordinating visits to the Konde Diocese. Last year, there was a leadership crisis in the diocese; it has been resolved with the election of new bishop, the Rev. Geoffrey Kihaba. A group of us will be traveling to visit the diocese at the end of June.

We also have two missionaries from the Lower Susquehanna Synod serving in Guatemala, Pastor Jennifer Hope-Tringali and Deacon David Hope-Tringali. They have accomplished extraordinary ministry with Tree 4 Hope in building a school for girls who may have been denied enrollment in school in Guatemala. I visited last summer and the level of achievement for these girls was astounding. Tree 4 Hope is expanding the school building to accommodate more girls who have been turned away for lack of adequate classroom space. We will be using our 2023 Lower Susquehanna Annual Generosity Appeal to sponsor a project called, "Building Up Hope" to support the school's expansion. More information will be shared with you at the assembly. In addition to expansion in Guatemala, Tree 4 Hope will open a school here on the territory of the Lower Susquehanna Synod, in partnership with our congregations in Middletown, Highspire, and Steelton. This is an example of how global outreach is mutually beneficial, both giving and receiving.

**The Future** In my tenth year of this call as your bishop, I am looking at key areas of focus for the coming years. We will allocate additional resources to focus on our smaller worshipping congregations and their unique gifts and challenges in these changing times. Additionally, we will deepen our intentionality to align future leaders with congregations whose pastors are retiring; as well as expand cooperation with other synods to share resources regionally; and establish administrative procedures to support a synod that needs to be leaner and more nimble.

**The Team** The ministries of the synod office are accomplished through the work of a small but dedicated staff who put in amazing effort to keep the details of administration of this church organized and efficient. Their leadership in the many aspects of our ministry from organizing synod events, to working with congregations, to making resources available, to stewarding the gifts given to support the ministry, and to caring for our rostered ministers, is a blessing. They are centered in a deep faith in Jesus Christ and see their work as a calling. I am grateful to minister alongside these disciples.

On the support staff, we are grateful for Marty Shifflett, who handles the requests from our Resource Center, maintains the supply pastor list, supports the Candidacy Committee, assists with small event planning and, of course, the assembly; for Kellen Michalowski, who manages our technology and video capabilities, which have become essential in this changing environment, and assists with synod communications; and in the Treasurer's Office, for Denise Ferguson and Cathy Paul, who are stewards of our synod's financial resources. The program staff includes Charlie Roberts; Deborah Clark; the Assistants to the Bishop, Pastor Dana Blouch-Hanson, Deacon Marsha Roscoe, Pastor Beth Martini, and Pastor Carla Christopher; and Director for Evangelical Mission, Pastor Richard Jorgensen. They are essential to the success of the programs and the care that the Office of the Bishop provides to our congregations and rostered ministers.

Our officers, Vice President Jennifer Lau, Secretary Beth Schlegel, and Treasurer Joseph Stepansky, as well as all members of the Synod Council, oversee our mission priorities. Their partnership helps to establish clear vision and direction while ensuring that we live within the parameters of our governing documents. Their leadership facilitates the myriad of tasks required to keep our synod functioning while we focus on our gospel calling. It is joy to serve with them.

Last summer, I was blessed by the Synod Council who granted me three months of sabbatical. During that time, I traveled to Guatemala to visit Tree 4 Hope and to Austria to visit our son and his family, and vacationed with our family here in the U.S. In addition, I studied issues around the future of the church in what is called the secular age. The time away gave me the occasion to unwind, to think and pray deeply about the church, and to return refreshed to continue this call.

I feel blessed to be called to serve the church in this way. I am grateful that God has given me the opportunity to serve, and I am grateful for the love and support of the people in our synod. It is a blessing to serve alongside you for the sake of the gospel, and I look forward to gathering for the assembly. God's peace.

†The Rev. James S. Dunlop, bishop

**Pastor Jane, Coleton , Sam, Tyler & George (Evangelical)**

**First Lutheran, Trinity Lutheran, St. Paul Lutheran**

Thank you First Lutheran Church,

I'm learning a lot about God and Jesus. I'm having a awesome time and meeting new people. Thank you for allowing me to come here.

Coleton Rankin

Dear First Lutheran church,

Thank you for sending me to camp. I had so much fun. The best thing that happened here was meeting new people and having fun with them.

Tyler Johnson

Thank you First Lutheran Church,

Thank you for helping to fund my church camp. I'm having a great time at Camp Nawakwa. I'm learning so much about God while having fun. The pool is great and I'm meeting so many new people. I got great counselors. We got to play so many games like CTF, soccer, Uno etc. The food is great. We got so many of my favorites. I also learned about John the Baptist, Easter and more. Our theme was faith and doubt. We got candy and I met a bunch of new people in my small group. The pool was cold but it was still fun to play water polo.

Sincerely,

Sam Nienstedt

**Blessing of Students, Teachers, and Backpacks** will take place at the time of the children's message on Sunday, August 20. As our students and teachers eagerly await the new year, we will ask for God's blessing upon them as they return to the classroom that their year of teaching and learning will be a meaningful one. The teachers and youth are invited to bring their backpacks or bookbags with them this day to worship.

**NTT IS HOSTING THE BACK TO SCHOOL EVENT** on Saturday, August 19, 10 a.m. – noon. Thanks to the congregation for your support of this event including the socks and underwear offerings and donations collected earlier this year. Please share this information with families of elementary children who have a need for these items in preparation for school. Contact: Mary Gotwald [mgotwald@embarqmail.com](mailto:mgotwald@embarqmail.com) or 717-264-4759.

**ALIVE MIDDLE SCHOOL RETREAT** is the synod-wide retreat for 6<sup>th</sup> to 8<sup>th</sup> graders and their adult advisors. Held annually at Camp Nawakwa, this year's event is scheduled for September 22-24, 2023. Congregational groups lodge together in cabins, and attend large group gatherings with singing, interactive activities and videos, and small group conversations, led by trained staff. Along with the various learning opportunities, there are

games, campfires, free-time and lots of time for meeting and making new friends. Youth come away with some great memories, friends, and faith moments.

Adult advisors are critical in helping youth discuss what they are learning and experiencing. If you are a parent of one of our middle school youth or another adult who enjoys leading youth in their faith formation, and have an interest in being an adult advisor for the trip, please speak with Pastor Nicholson. The church will be covering the advisors costs.

The total cost per student is \$136. The \$50 non-refundable deposit is due to the church office by September 5. The church will cover the remainder of the cost. More details are available at the synod website: [lss-elca.org/alive-2](http://lss-elca.org/alive-2)

**SCHOOL SUPPLIES NEEDED**

**LUTHERAN WORLD RELIEF KITS** Late July and August are the time of year to gather items for our school kits. The following are needed: black/blue ball point pens, crayons in boxes of 16/24 crayons, 70 sheet notebooks and pencil sharpeners. A list of items and collection box will be placed outside the office later in the summer. Thank you for being a part of this Lutheran World Relief Project.

## 2024 ELCA Youth Gathering

including **MYLE the tAble**  
Young Adult Gathering

### ELCA YOUTH GATHERING

The youth gathering will be taking place in New Orleans from July 16-20, 2024. Theme: Created to Be. The gathering is open to those who have completed 9th - 12th grade by summer 2024. Please talk with Pastor Nicholson by August 27, 2023 if you have an interest in attending.

### **Tree-4-Hope/Guatemala**

First Lutheran in in partnership with Tree-4-Hope Girl's School in Guatemala and is helping to build classroom space through our financial gifts to the school. Deacon David Hope-Tringali will be joining us for worship on July 30 at 9:30 to update us on the ministry in Guatemala. Also a group from First is considering visiting Guatemala next February. If you have an interest in learning more about this trip, please be in touch with Rose Wilson.

The Evangelism Committee is pleased to announce that a new congregational photo directory will be created this Fall. It has been eight years since our last directory was published so we are excited about producing a new updated one!

We need ALL church members to participate so that we may create the most accurate and up-to-date directory possible. Please save the dates of Monday, September 18, and Tuesday, September 19. All pictures will be taken on-site at the

church on those two dates. Appointment times and how to schedule yours will be announced later this summer.

Each household that is photographed and attends a proofing session will receive a free 8 x 10 photo as well as a free photo directory. No purchase is required but you must attend the proofing session after your picture is taken. This session is where you will choose which photo you want for your free 8 x 10 as well as which photo you want used in the directory. Should you decide to purchase photos, we have been told you will receive them in time to give as Christmas gifts.

Our directories are being published by Re:Member Church Directories of North Carolina. They will be similar in format to our last directory. We will also be receiving a private online version that can be periodically updated.

The Evangelism Committee thanks you in advance for your support of this important project which we feel will help better acquaint our members with one another!

Second Graders, John Sekel and Lenora Craven completed the Holy Communion class and received first communion this spring. Our congregation celebrated with them on May 7, 2023.

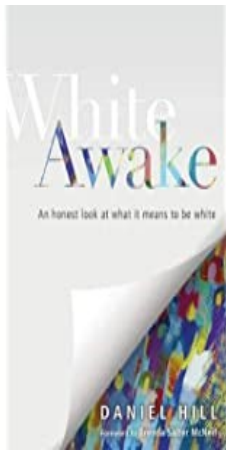

On May 20, 2023 Kathleen Getaz, the previous Director of Faith Formation at First Lutheran, graduated with her Master of Divinity Degree from Princeton Seminary. Kathleen is going to be continuing her schooling to acquire a Master of Social Work degree from Princeton in May 2024. Then during the 2024-2025 school year she will be doing her internship in preparation to be ordained to the ministry of Word and Sacrament in the Evangelical Lutheran Church in America.

Nancy Hamilton and Pastor Jane Nicholson were both in attendance on this glorious day.

Kathleen will be preaching God's Word and visiting us here at First on Sunday, August 27, 2023. We hope you will be able to be here to greet her on that day.

**WHITE AWAKE** *An Honest Look at What It Means to be White.* This fall, Joyce Ray will facilitate a discussion on this book. Author, Daniel Hill, will never forget the day he heard these words: "Daniel, you may be white, but don't let that lull you into thinking you have no culture. White culture is very real. In fact, when white culture comes in contact with other cultures, it almost always wins. So it would be a really good idea for you to learn about your culture." Confused and unsettled by this encounter, Hill began a journey of understanding his own white identity. Hill is a pastor in Chicago. Through his writing, he does a beautiful job of interweaving these ethical, social, and theological issues as he brings us along on his journey of understanding. Please be in touch with Joyce if you would like her to order a book for you or you may order your own. The class will be on Sundays at 9:30 beginning mid-September for 5-6 weeks.

## STEWARDSHIP NOTES

Special offerings for the months of July and August are designated for Lutheran World Hunger. One project which benefits from our offerings is the Rice Street Gardens in St. Paul, Minnesota, which is the second-largest community garden in the state, with over 250 plots for local families. Your generosity to ELCA World Hunger, paired with the hard work of gardeners and volunteers, enables this garden to thrive. Each gardener contributes by volunteering during the year, keeping it clean and well-organized, and donating money to buy supplies. But they are growing more than food – they are planting seeds for the kind of world God wants for us, a world where everyone has enough to eat. Thank you for your continued support of the World Hunger program.

“We are commanded to love God and our neighbor equally, without difference. We don’t have to look for opportunities to fill this command, they’re all around us, 24 hours a day. You must open your eyes wide, so that you can see the opportunities to give free service, wholehearted, right where you are, in your family. If you don’t give such service to your family, you will not be able to give it to those outside your home.” Mother Teresa

# NEIGHBORHOOD TASK TEAM

*Sharing God's love in our community*

## June 11, 2023 Laundry Event

Spot Laundromat now offers cards for the fees to wash and dry laundry. \$8.25 was put on each card that we gave out to our neighbors on June 11. If a balance remains on the card it can be used another time.

Little Daisy's Closet and First Lutheran Church teamed up to purchase the Spot cards to give to those who need help with laundry expenses.

The event was advertised on Face Book as well as with local agencies that help our neighbors. In a short time 35 cards were given out. Thankfully, we had some paper tickets, provided by Spot that we could give out for a free wash.

Thanks to the volunteers from First and Little Daisy's Closet that shared God's love through conversation, a laundry card, detergent and dryer sheets, water bottle and children's books.

Thanks to all who support this ministry and to Spot laundromat personnel for assistance in this outreach.

**A Big Thank You** to the congregation for your generous donations of socks and financial support for the purchase of socks. The socks and underwear will be shared with our neighbors at the Back To School Event which will be held on August 19th. This event is for elementary school students. More details will be forth coming after the shopping is complete. This means so much to these children to have NEW socks and underwear to start their school year. You are all welcomed to volunteer or visit this event.

# THANK YOU

Dear Members of First Lutheran,

Just wanted to express my gratitude for all the prayers, cards, and well wishes after my emergency surgery in late May and my two subsequent hospitalizations. I believe your prayers for healing were heard because I am now feeling much better! A special thanks to Pastor Nicholson for taking the time to visit me in Hershey as well as at home and bringing those beautiful flowers. May God bless you all!

With Sincere Appreciation,  
Kristy Nienstedt

Dear First Lutheran Family,

I would like to thank everyone who helped our family with monetary gifts, and all the support and love given during Jim's illness and death. I am also very thankful for everyone who was there for me during the first year without him, not sure I would have gotten through the last year without all of you.

Thankful,  
Mary Beth
